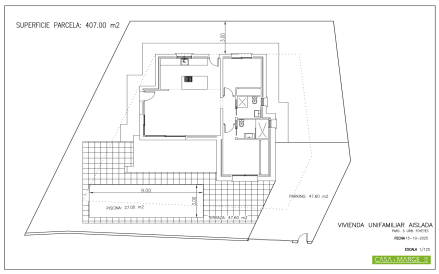
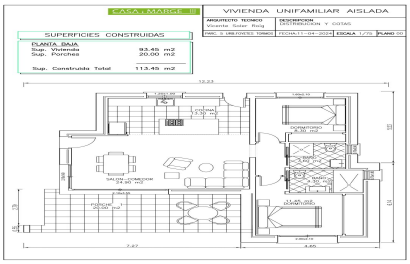
Villa in Tormos

€420,000





2	2	113m²	407m²	✔

PROJECT. Villa with a minimalist and rustic design at the same time in the small village of Tormos, Alicante. It is a construction project for a beautiful villa that is constructed with concrete structure with natural stone walls on a completely flat plot of 407 m2. On its façade, its spectacular covered porch stands out, made with a single piece of concrete that is supported only by one...(Ask for More Details!)
