2,393m²

On one of the largest plots in the Jazmines residential area in Cumbre del Sol stands Villa La Cala, a high-end home designed to offer space, efficiency, and panoramic views of the Mediterranean. With a plot of 2,493 m², this property stands out for its privacy, orientation, and spaces conceived to maximize natural light. The villa's architecture combines modern lines, clean volumes, and ...(Ask for More Details!)
